## Fall 1999 Fact Book

**Prepared by:  
Office of Institutional Research  
IR 99-50-1 (9/10/99)**

# INTRODUCTION

This summary of material was compiled by the Office of Institutional Research with the assistance and input of various other offices. The purpose of this document is to serve as a ready reference which provides a point-in-time picture of Texas Christian University.

The information included in this document is organized into seven major data areas: Student Right-to-Know, Entering Freshman, Student, Academic Program, Faculty and Staff, Financial Resource, and Physical Facilities. Data based on the Fall 1999 statistics have been combined and supplemented with historical data in each area. While most summaries are based on Fall statistics, some are based on the fiscal year ended May 31, 1999.

All data are compiled on the twelfth class day and are comparable from year-to-year; however, changes in methods of calculation may have occurred. Footnotes on specific tables call attention to significant differences.

Should you have questions or recommendations, contact the Office of Institutional Research, 204 Sadler, TCU Box 297020, Ext. 7793.

## TEXAS CHRISTIAN UNIVERSITY

### CARNEGIE CLASSIFICATION

Texas Christian University has a Carnegie Classification of ***Doctoral University II***. The definition for this classification is as follows:

*"These institutions offer a full range of baccalaureate programs and are committed to graduate education through the doctorate. They award annually at least 10 doctoral degrees - in three or more disciplines - or 20 or more doctoral degrees in one or more disciplines."*

# TEXAS CHRISTIAN UNIVERSITY HIGHLIGHTS

FALL 1999

## = Total headcount..... 7,551

Male.....3,189 & 42%

## Definitions, F.T.E. Formulas

**Prepared by:**  
**Office of Institutional Research**  
**IR 99-50-1 (9/10/99)**

## **DEFINITIONS**

### **Credit Hours - Twelfth Class Day**

The twelfth day of class. For Fall 1999, this day was September 10, 1999.

### **Eligible for Tenure**

Full-time faculty members who are in permanent, tenure-track positions on the TCU Budget.

### **Fiscal Year**

The fiscal year begins June 1 and ends May 31. Resource data are reported by fiscal year.

### **F.T.E. Formulas** - See next page.

### **Full-Time Equivalent**

The number obtained when part-time students, faculty, or staff are converted to full time using a variety of formulas. See next page.

### **Instructional Faculty**

Faculty members who devote at least 50% of their time to classroom instruction.

### **Nonacademic Support Personnel**

Exempt Staff – These positions are not covered by the minimum wage and overtime requirement of the FLSA act. Exempt staff positions at TCU have job codes in the 10000, 20000, or 30000 series. Previously these positions were referred to as University Staff positions. Faculty positions are considered exempt by FLSA standards, but are identified separately in all institutional data.

Nonexempt Staff – These positions are covered by and subject to the minimum wage and overtime requirements of the FLSA act. Nonexempt positions at TCU have job codes in the 40000, 50000, 60000 and 70000 series. Previously these positions were referred to as General Staff positions.

### **Official Headcount Enrollment**

Student enrollment becomes official on the twelfth class day.

### **TCU Corporation**

Consists of the AddRan College of Arts and Sciences, the M.J. Neeley School of Business, the School of Education, the College of Fine Arts and Communication, University Programs, Graduate Studies, and Harris College of Nursing. The inclusion of Harris College in the TCU Corporation became effective June 1, 1985.

### **Terminal Degree**

Includes all doctoral degrees and some master's degrees where the master's is the terminal degree for the position.

### **University Total**

Combines total figures for the TCU Corporation and Brite Divinity School.

## **F.T.E. FORMULAS**

### **F.T.E. Student**

Total undergraduate credit hours divided by 15 (full-time load for undergraduate students) plus total graduate hours divided by 9 (full-time load for graduate students). These two numbers added together result in the F.T.E. student count. This method has been used since Fall 1986.

### **F.T.E. Staff**

Part-time staff are converted to a full-time equivalent by dividing the number of hours worked annually by 2,080. For example, a staff member who works 20 hours a week for 52 weeks a year works 1,040 hours divided by 2,080 = 0.500 F.T.E. A staff member who works 40 hours a week for 9 months a year works 1,560 hours divided by 2,080 = 0.750 F.T.E.

### **F.T.E. Faculty**

F.T.E.s for part-time faculty are computed as follows: 12 hours = 1.000 except in Physical Education (7 hours = 1.000) and Performance Music where 20 hours = 1.000.

### **Full-Time Equivalent Student-to-Faculty Ratio**

Credit Hours taken from the Credit Hour Report as of the twelfth class day.  
F.T.E. faculty taken from the F.T.E. Instructional Faculty Report, F.T.E. Student formula calculated using method described above.
