Tuition and Fees	$17,630
Room and Board	$ 5,780
Average annual cost	$23,410

(Excludes Books, Supplies & Personal Expenses)

INTRODUCTION

This summary of material was compiled by the Office of Institutional Research with the assistance and input of various other offices. The purpose of this document is to serve as a ready reference which provides a point-in-time picture of Texas Christian University.

The information included in this document is organized into seven major data areas: Student Right-to-Know, Entering Freshman, Student, Academic Program, Faculty and Staff, Financial Resource, and Physical Facilities. Data based on the Fall 2002 statistics have been combined and supplemented with historical data in each area. While most summaries are based on Fall statistics, some are based on the fiscal year ended May 31, 2003.

All data are compiled on the twelfth class day and are comparable from year-to-year; however, changes in methods of calculation may have occurred. Footnotes on specific tables call attention to significant differences.

Should you have questions or recommendations, contact the Office of Institutional Research, 204 Sadler, TCU Box 297020, Ext. 7793.

NOTES:
1. Students admitted during the Summer are included in the Fall headcount.
2. Transfer student headcount includes students who changed status from nondegree to degree-seeking.
3. The yield is based on the number of enrolled freshmen or transfer students compared to the number of accepted freshmen or transfer students.

Definitions, F.T.E. Formulas

Prepared by:
Office of Institutional Research
IR 03-50-1 (9/12/03)

DEFINITIONS

Credit Hours - Twelfth Class Day
The twelfth day of class. For Fall 2003, this day was September 12, 2003.

Eligible for Tenure
Full-time faculty members who are in permanent, tenure-track positions on the TCU Budget.

Fiscal Year
The fiscal year begins June 1 and ends May 31. Resource data are reported by fiscal year.

F.T.E. Formulas - See next page.

Full-Time Equivalent
The number obtained when part-time students, faculty, or staff are converted to full time using a variety of formulas. See next page.

Instructional Faculty
Faculty members who devote at least 50% of their time to classroom instruction.

Nonacademic Support Personnel
Exempt Staff – These positions are not covered by the minimum wage and overtime requirement of the FLSA act. Exempt staff positions at TCU have job codes in the 10000, 20000, or 30000 series. Previously these positions were referred to as University Staff positions. Faculty positions are considered exempt by FLSA standards, but are identified separately in all institutional data.

Nonexempt Staff – These positions are covered by and subject to the minimum wage and overtime requirements of the FLSA act. Nonexempt positions at TCU have job codes in the 40000, 50000, 60000 and 70000 series. Previously these positions were referred to as General Staff positions.

Official Census Date
The CENSUS DATE is a point-in-time snapshot of the TCU student population. This file is frozen as it existed for longitudinal study purposes. The database at “OFFICIAL CENSUS DATE” has minor inaccuracies that are corrected as identified during future periods.

Terminal Degree
Includes all doctoral degrees and some master’s degrees where the master’s is the terminal degree for the position.

F.T.E. FORMULAS

F.T.E. Student

Total undergraduate credit hours divided by 15 (full-time load for undergraduate students) plus total graduate hours divided by 9 (full-time load for graduate students). These two numbers added together result in the F.T.E. student count. This method has been used since Fall 1986.

F.T.E. Staff

Part-time staff are converted to a full-time equivalent by dividing the number of hours worked annually by 2,080. For example, a staff member who works 20 hours a week for 52 weeks a year works 1,040 hours divided by 2,080 = 0.500 F.T.E. A staff member who works 40 hours a week for 9 months a year works 1,560 hours divided by 2,080 = 0.750 F.T.E.

F.T.E. Faculty

F.T.E.'s for part-time faculty are computed as follows: 12 hours = 1.000 except in Physical Education (7 hours = 1.000) and Performance Music where 18 hours = 1.000.

Full-Time Equivalent Student-to-Faculty Ratio

Credit Hours taken from the Credit Hour Report as of the twelfth class day. F.T.E. faculty taken from the F.T.E. Instructional Faculty Report, F.T.E. Student formula calculated using method described above.
